

ABOUT OUR LISTSERVS

A listserv is another term for an email group. The seven chapter NYSSCSW Listservs currently reach over 1,500 members. There are listservs for the following chapters: (1) Metropolitan, including the Bronx and Brooklyn, (2) Mid-Hudson, Upstate and Western New York, (3) Nassau and Suffolk, (4) Queens, (5) Rockland, (6) Staten Island and (7) Westchester.

Since their inception in 2006, the NYSSCSW listservs have been a rich source of information and direct contact with other members, which allows for interactive communication on many subjects (both professional and non-professional). The listservs have created a unique on-line community, reducing the common feelings of isolation in our profession and allowing for almost instantaneous access to news affecting clinical social work practice.

Help Desk volunteers, also called moderators, read all posts daily and are available to assist newcomers or answer questions about how and what to post. You may receive posts from the members of your Listserv group as they occur or you may elect to receive the Digest form. With Digest, all posts from a single day are bundled together and sent to you as one post.

To join one of the 7 Listserv groups, contact our administrative office at info.nysscsw@gmail.com or call 800-288-4279.

If you are already a member of a chapter listserv and need assistance from the Help Desk on how to post, email our volunteers at N-I-S@GoogleGroups.com.

To unsubscribe or change your email address, email us at info.nysscsw@gmail.com.
